

## WELCOME TO GRANGER!

### VILLAGE OF DIMONDALE

Granger collects tomorrow's energy. We provide waste hauling, disposal and recycling services and produce renewable energy from landfill gas.

#### CUES FROM CAPTAIN CURBY<sup>SM</sup>

- Place trash street-side by 7 a.m. on Fridays
- Bag all trash before placing it in the cart.
- Double bag loose materials like kitty litter, animal waste, sawdust, ashes, insulation and packing peanuts.
- Place long items like broom handles, curtain rods, etc. on the ground beside the trash.

#### RECYCLING, YARD WASTE AND BULK COLLECTION

Street-side recycling, yard waste and bulk item (such as appliances or furniture) collection is available from Granger for an additional charge. Contact Granger to sign up or to get more information.

#### CARTS

All residents will receive a 96-gallon cart for their trash. If you don't want to keep your cart, you may put your trash out in bags, but we will not be able to service your trash in store-bought containers. Using Granger-provided containers ensures that they are maintained and replaced when necessary. If you don't want to keep your cart, please contact Granger at 517-372-2800 or [info@grangernet.com](mailto:info@grangernet.com). (Be sure to include your name and service address if emailing us.)

Your cart will hold approximately five bags of trash, which is the Village's current contract limit per residence. You may also place an occasional extra bag outside the cart.

#### PLACEMENT OF CART

Your trash will be collected by a truck that uses an automated arm to empty the cart. How you place the cart is very important. Please consult the enclosed flyer for instructions.
