## Leaf Collection Rules

1. **Raked leaves only.** Do not place mulched, shredded or grass clippings out for collection. Leaves contaminated with trash, brush, or lawn clippings will not be collected.
2. Rake leaves up to the curb or road edge, but **not into the street.**
3. Rake leaves into rows parallel to street, not large piles.
4. Do not place leaves in ditches or near utility poles or mailboxes.
5. Please understand that it is not possible to guarantee removal on a particular day and you may want to cover leaf piles in order to prevent blowing.
